### **7 competency based higher ed programs to keep an eye on ...**

Southern New Hampshire University's competency based, self paced adult learning branch is called College for America. The 2 year old program has partnered with 55 employers to create programs for job specific skills. College for America claims to be the only program of its kind to be approved by a regional accrediting agency and by the Department of Education for Title IV federal financial aid, although the Education Department says there is one other.

literacy and assessment and how well programs were working; iperceptions of improvements which could be achieved within current resource levels; idescriptions of current practices which already incorporated aspects of the key competencies; and iperceived needs if competency based approaches were to be implemented in schools on a large scale.

### **What to Know About petency Based Online Education**

Founded in 1997 by a group of U.S. governors seeking to address concerns over accessibility to college, all of Western Governors' programs are offered online, and all programs are competency based. As of 2018, the school was the online home to 67,000 undergraduates, with more than 69 percent of its recent graduates reporting they had a mentor in college, a percentage that is more than doubles the national average for mentorship.
